<sup>1</sup> At some point in Peleg's life (a.c. 1758-1997), the "confusion of tongues" took place.

<sup>2</sup> This assumes Abram to be Terah's first-born (but consider Acts 7:2-3!).

Isaac was forty when Jacob and Esau were born. = 2269

Jacob 130 when he went into Egypt = 2399

Joseph was about 39 when Jacob came to Egypt = 2399

The families of Israel came into Egypt = 2399

Joseph was born in the year 2360

Jacob lived 147 years = 2416

Joseph lived 110 years = 2470

In Egypt 430 years = 2829

Add a hundred years for Joseph to die and things to change = 2929

41 years in the wilderness = 2970

5 years conquering the land of Canaan = 2975

Add 25 years (approx.) for Joshua to die = 3000
